Integrated Engineering Co LLC

A company owned by Target Export & Consolidation Co - Established in 1998

ISO 9001:2105 / ISO 14001:2015 / ISO 45001:2018

About Us

Integrated Engineering specializes in fuel system supply, installation, and commissioning services. The company has built a formidable reputation for the quality and reliability of our services providing the installation and maintenance of fuel pumps, fuel storage tanks, level gauges, filtration systems, controls, and fuel pipework offering a full turn-key solution.

Our company was established in 1998 and over the years formed strategic alliances with various business partners. In the Kingdom of Saudi Arabia we operated through our business partners Rabih Saad Trading and Zad Professional.

Our Vision

Aspiration to continuous growth, customer satisfaction, and employees motivation. We will strive to implement a life long relationship with our stakeholders. To fulfil this vision, we will involve them in the quality improvement process to insure responsiveness and effective work execution.

- Committed to superior quality and results.
- Broad vision. Careful thought.
- Solid reputation

Integrated Engineering Co LLC

A company owned by Target Export & Consolidation Co - Established in 1998
